Confidentiality Statement & **DISCLAIMER**

No representation or warranty, express or implied is made as to the accuracy or completeness of the information contained herein or any other written or oral communication transmitted or made available to any recipient. Zaimmoh-Built and Engineering Ltd. or any of their representatives expressly disclaim liability based, in whole or in part, on such information, errors therein or omissions therefrom.

ABOUT US

Zimmoh-Built and Engineering Ltd., was founded from the success story of Zimmoh Investment Ltd. the engineering section, which was conceived in line with the 7-Point Agenda of President His Excellency, late Alhaji Umar Musa Yar'dua (GCFR) which was continued by President Goodluck Ebele Jonathan (GCFR), to boost and encourage industrialization and in-line with Federal Government housing policy, to provide affordable housing for all Nigerians by the year 2020, then we came up with a beautiful, innovative and brilliant ideas to support and partake in the **INDUSTRIALIZATION, REAL ESTATE, AND INFRASTRUCTURE DEVELOPMENT** dream, which till today has been our major strength and many successive projects had been completed

for both Government and Private Organizations.

We have till date, ensure prompt and effective operation/execution of projects with our competent staff strength mostly Nigerians with expertise of proven integrity who occasionally worked hand-in-hand with their foreign experts from Africa, Europe, Middle East, and United Kingdom. This has helped our commitment to meeting and exceeding our customer's expectations.

MISSION

To be the leading construction company championing Industrial revolution, real estate and infrastructural development by constantly engaging both the Public and Private sectors key stakeholders.

VISION

Our Vision is to become a respected player in the major economy, by constantly adding value to the current administration's Industrial galvanization, Real estate and Infrastructural Development goal.

OBJECTIVES

- 01 To keep expanding our services to render highest quality professional and personal service to every client which includes individuals, public, private, corporate and government sectors.
- 02 To keep providing services in project management, building designs and construction supervision works.
- 03 To align with other organizations with similar values in areas where our skills are not adequate to execute on a specific project
- 04 To undertake engineering work in compliance with the Codes of Practice on Risk and the Environment.
- 05 To Engage qualified human resources and advanced technological resources and methods in undertaking our tasks to help achieve our clients' goals and objectives
